

Objective Status

Directions: List each of your program's approved, official 21st CCLC objectives in Column A. Please write the objectives exactly as written in the original approved application or approved program amendment. In Column B, please select the category from the dropdown menu that best categorizes the objective's focus area - please select "Other" for objectives outside of these categories. In Column C, select the appropriate status of each objective from the dropdown menu. In Column D, please describe why you selected that specific option in Column C (i.e., review of report card grades indicates improvement in reading/math, attendance records of adult family member events indicate a high number of attendees, etc).

Objective	Category	Status	Reason for Status
1.1) A minimum of 40% of regularly participating 3rd - 5th grade students will meet or exceed state standards on the state assessments for ELA	A2. Academic - Reading/ELA	4. Unable to measure progress on the stated objective	This objective can't be measured for FY18 until all state assessment scores are collected.
1.2) A minimum of 40% of regularly participating 3rd - 5th grade students will meet or exceed state standards on the state assessments for Math	A1. Academic - Math	4. Unable to measure progress on the stated objective	This objective can't be measured for FY18 until all state assessment scores are collected.
1.3) A minimum of 50% of regularly participating 3rd - 5th grade students will maintain or improve their report card grades in Reading as measured from the first 9 weeks to the last 9 weeks	A2. Academic - Reading/ELA	4. Unable to measure progress on the stated objective	This objective can't be measured for FY18 until the fourth nine week grades are compared to make a determination if the student improved or maintained their report card grade in reading.
1.4: A minimum of 50% of regularly participating 3rd - 8th grade students will maintain or improve their report card grades in Math as measured from the first 9 weeks to the last 9 weeks	A1. Academic - Math	4. Unable to measure progress on the stated objective	This objective can't be measured for FY18 until the fourth nine weeks once the students have completed post tests in math on Istation
1.5: A minimum of 50% of regularly participating K-2nd grade students will show improvement from pre to post testing in Reading using Study Island and/or IStation Reading Program tool as screening.	A2. Academic - Reading/ELA	4. Unable to measure progress on the stated objective	This objective can't be measured for FY18 until the fourth nine weeks once the students have completed post tests in reading on Istation
1.6 A minimum of 50% of regularly participating K-2nd grade students will show improvement from pre to post testing in Math using assessments from the Study Island and/or IStation Math program tool as screening.	A1. Academic - Math	4. Unable to measure progress on the stated objective	This objective can't be measured for FY18 until the fourth nine weeks once the students have completed post tests in reading on Istation
2.1) A minimum of 40% of regularly participating students (attending 30 days or more) at all sites will be absent 15 days or less during the regular school day	B1. Behavior - Attendance	4. Unable to measure progress on the stated objective	This objective can't be measured for FY18 until the fourth nine weeks once access to the students attendance records are made available.
2.2) A minimum of 40% of regularly participating students (attending 30 days or more) at all sites will demonstrate improvement in class participation	O1. Other	2. Did not meet but progressed toward the stated objective	This objective can't be measured for FY18 until the teacher surveys are reviewed.
2.3) A minimum of 40% of regularly participating students (attending 30 days or more) at all sites will demonstrate improvement in character development and behavior.	B2. Behavior - Discipline	3. Did not meet and no progress toward stated objective	This objective can't be measured for the FY18 for an accurate percentage rate until the fourth nine weeks.
